

Otto Brenner Stiftung, Wilhelm-Leuschner-Str. 79, 60329 Frankfurt am Main

Dear ladies and gentlemen,
dear colleagues,

we cordially invite you to our **13th International Conference** with the subject:

„Economic Development, Employment and Social Dialogue in Central East and South East Europe - Common Perspectives in the European Union? From the 26th to the 27th of april 2012 in Belgrade, Serbia.

The ongoing crisis in the economic development of Europe, especially in the EURO-Monetary-Zone poses many questions regarding a secure future of the labour. There is a cause of concern that the social dimension of the european consolidation could fall behind once again. At the same time the drive to aspire to a membership in the EU still is unbowed in Southeast Europe.

In the context of three discussion panels the conference will deal with the topics „ways out of the economic crisis“ and „perspectives of the industrial relations“.

The conference is organized by the Otto Brenner Foundation in cooperation with the Friedrich-Ebert-Foundation, the Hans-Böckler-Foundation and the European Trade Union Institute (ETUI).

All further information you can find in the attached programme.

We are looking forward to a productive conference with lively debates and kindly ask you to register online until the 28th of february 2012 at the latest via our website www.otto-brenner-stiftung.de.

With kind regards
